Welcome

Welcome to the China Educators Edu Au Pair Program

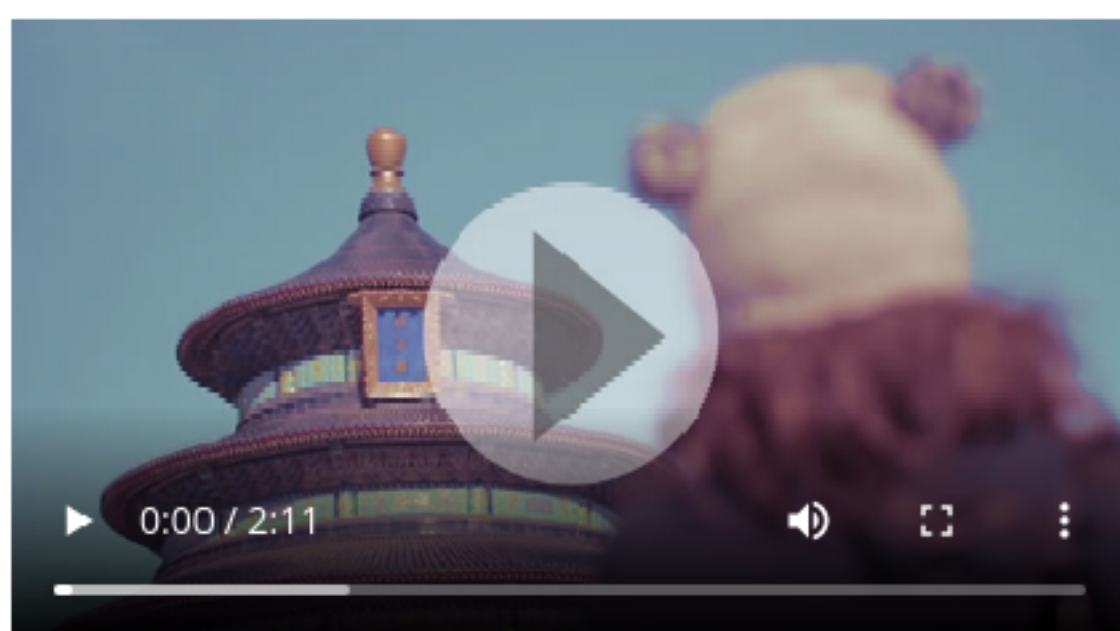

Experience China through a different perspective in the most authentic way there is – from the core of Chinese culture: family.

Our China Edu Au Pair program is a nice and safe way to explore China. As an Edu Au Pair you will live with a Chinese family for 11 to 12 months and take part in their everyday life. This unique program gives you the opportunity to immerse yourself in the Chinese culture and to see China from a perspective which is out of reach for tourists, business travelers and even the majority of foreign students.

Learn more about our program and our placement locations. Get an idea of the Edu Au Pair experience through our Edu Au Pairs and when you are ready: check out our recent openings for Edu Au Pair placements and apply online.
